

In the name of Excellence!

Presentation of the cellar

MEYBLUM & Fils : a family tradition

Quality and Regularity since 1862

Founded in 1862, the Alsace wines Meyblum&Fils built a **strategic partnership** with one of the main Alsatian bottling unities established on 20, September, 1952.

The objective of this alliance is to ensure a **regular and qualitative supply** while benefiting from a **modern** production tool.

The success of our wines of Alsace has never been denied, the range is regularly awarded in the competitions for our varietal wines as well as for our sparkling wines.

Key Figures
